So wird gespielt

- 1 Alle 28 Steine ausschneiden und verdeckt mischen.
- 2 Jede Person zieht 5 Steine. Ein Startstein kommt offen in die Mitte.
- 3 Reihum wird ein passendes Motiv an ein freies Ende angelegt.
- 4 Wer nicht anlegen kann, zieht einen Stein. Passt er, darf er sofort liegen.
- 5 Wer zuerst keine Steine mehr hat, gewinnt.

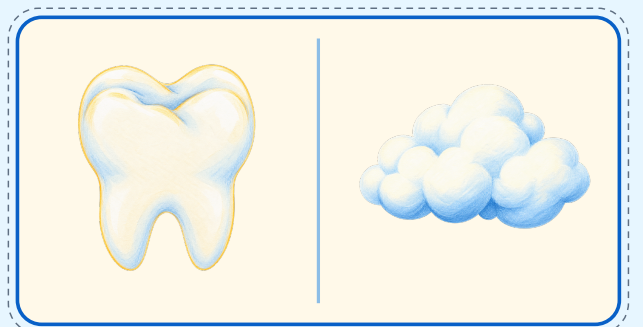

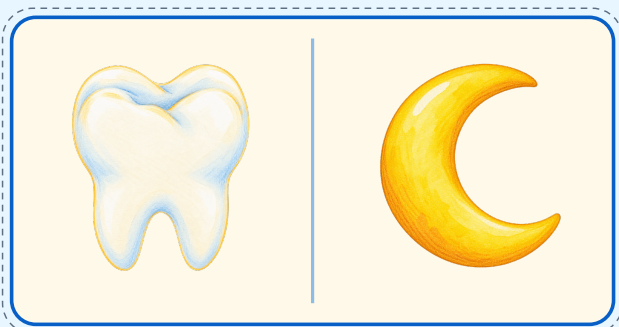

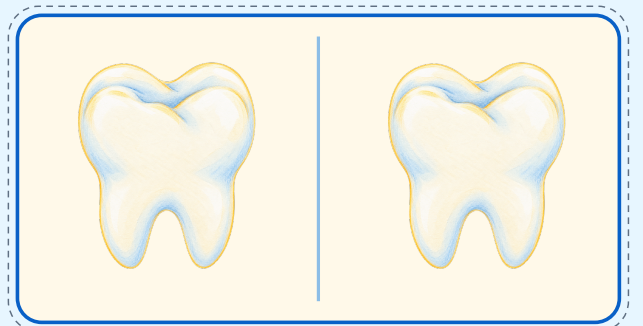

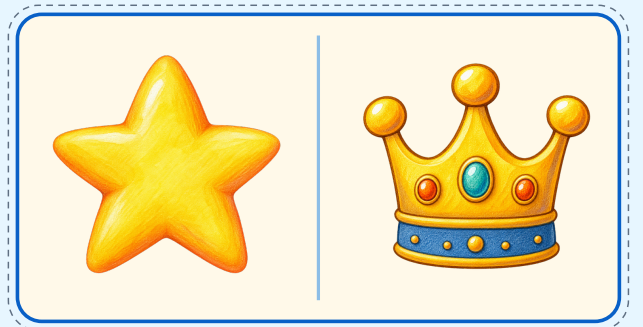

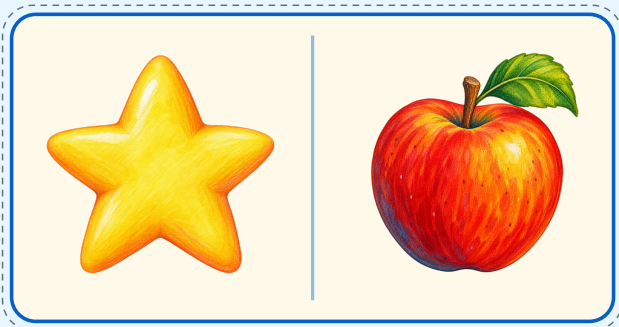

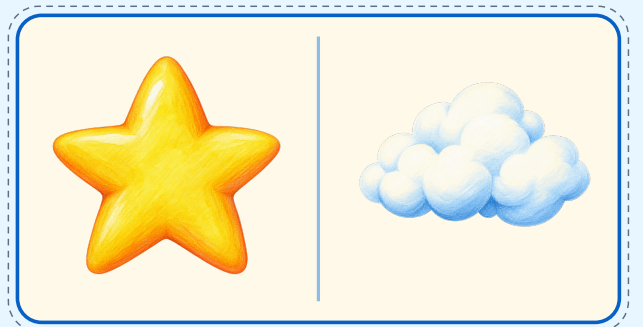

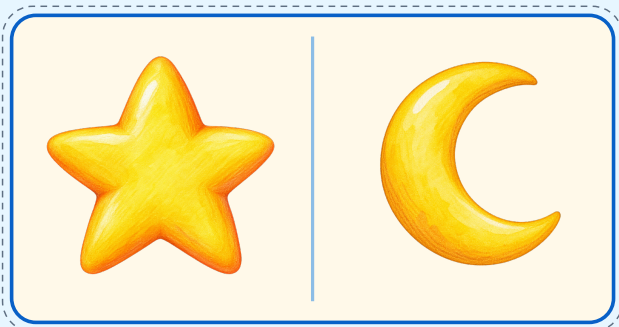

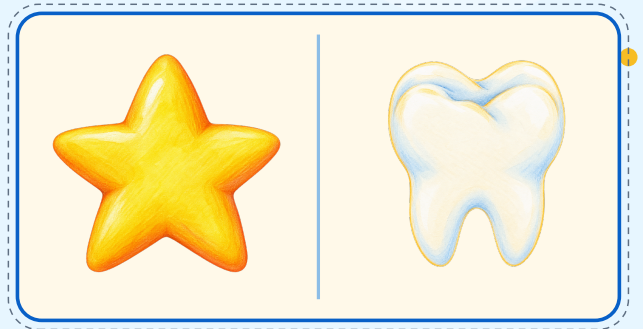

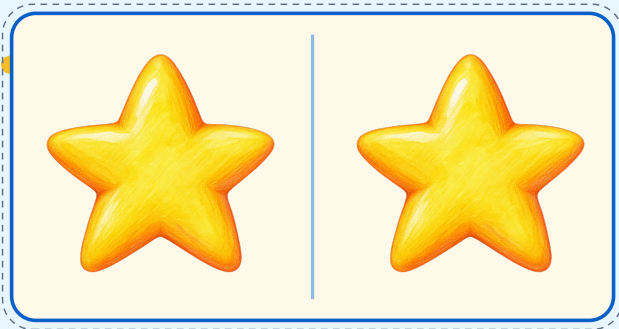

Für 2-4 Spielerinnen und Spieler ab etwa 4 Jahren

Am besten auf festem Papier drucken oder auf dünnen Karton kleben.
Seiten 2-7 doppelseitig drucken - an langer Kante wenden - Größe 100 %.
